

The screenshot displays the QGIS desktop environment. The main map window shows a satellite view of a rural area with a red line representing a water pipe network. A yellow line indicates a specific water tank. The left sidebar contains a layer list with 'wa\_pipe' selected. The right sidebar shows the 'Statistics' panel for the selected layer, displaying a table of statistical values. The bottom panel shows the 'Attribute Table' for the selected layer, listing various attributes for the selected features.
